## A MESSAGE FROM THE CLUB PRESIDENT, LION JOHN CAHILL

On this the 50th anniversary of the Charter in 1968 it is both an honour and pleasure for me to serve as President.

I wish to acknowledge the dedication and loyalty of the members past and present whose activities made Roscrea one of the strongest clubs in the District.

We are particularly delighted to have one of our Charter Members, Desmond Walsh as well as many past presidents still actively involved.

I would like to take the opportunity of remembering our deceased members.

We Serve

We have great pleasure in presenting this Souvenir Brochure as a pictorial history of most of the activities of our Club since we celebrated our 30 year anniversary in 1998.

It is evident from the book how closely the Club works with the community.

All of our projects would not be possible were it not for that cooperation.

The first book is available as a PDF on the Lions Club website [www.lionsclubroscrea.org](http://www.lionsclubroscrea.org) and on [www.issuu.com](http://www.issuu.com)

It is well worth a visit to see the activities in those early years.

This up-to-date book will also be available online.

Our cover shows the Roscrea Round Tower in its present state, saved from dereliction by the Lions Club of Roscrea. It is now in the care of the OPW and houses the original Roscrea High Cross in the building known as the Black Mills.
